

## 2019 WCC Friday Morning Tea Tuckshop Menu – Term 2

(No lunch menu available in term 2 Due to insufficient volunteers)

### Ordering for Primary students: - All Primary students must pre order their morning tea.

Please use the Re-usable insulated food Bag (For sale at school for \$10) or a brown paper bag with the below ORDER FORM. Student to place their order in the class tub located in your classroom before 9am on Friday morning. The tub is then delivered to the kitchen by students by 9am. Students will return to pick their class esky up 5 mins before morning tea and return it to the classrooms to be distributed to students.

### Ordering for secondary students: - 2 options available to order morning tea.

They can Pre order as per the Primary students, but collect morning tea from the dining room.

Or they can come to the dining room and to purchase their morning tea.

**Sausage Roll:** - Please pre-order sausage rolls by 9am on Friday using the baskets located near the side door of the kitchen.

We are looking into the possibility of an online ordering and payment system.

If we have more volunteers come on board to work in the tuck shop, we will look at reinstating the lunch menu.

Please ask at reception if you are interested in helping in this area of school life.

We do hope to have the occasional Pizza Day or Sausage sizzle throughout the term.

Attached is a **Friday Morning Tea Tuckshop order form** for your convenience. Please make sure all required information is given with the order. There are occasions where an advertised item may be out of stock, in this situation we will provide a similar substitute to the student's approval.
